## MARKET WRAP UP

The Sensex and Nifty were trading marginally higher due to profit-booking by funds and retail investors after two back-to-back record-setting sessions.

Domestic sentiment was dampened as political turmoil in Washington spooked global investors, sending Asian markets lower.

US share futures and the dollar tumbled on reports that President Donald Trump had asked then-FBI Director James Comey to end a probe into Trump's former national security adviser, raising questions over whether obstruction of justice charges could be laid against the US President.

At 3.05 p.m., the 30-share BSE index Sensex was up 78.53 points or 0.26 per cent at 30,661.13 and the 50-share NSE index Nifty was up 11.1 points or 0.12 per cent at 9,523.35.

Among BSE sectoral indices, metal index was the star-performer and was up 2.49 per cent, followed by auto 0.59 per cent, capital goods 0.33 per cent and power 0.27 per cent. On the other hand, consumer durables index was down 0.83 per cent, oil & gas 0.26 per cent, healthcare 0.2 per cent and PSU 0.17 per cent.

US share futures and the dollar tumbled in Asian trade on Wednesday after reports President Donald Trump asked then-FBI Director James Comey to end a probe into Trump's former national security advisor.

The reports raised questions over whether obstruction of justice charges could be laid against Trump, weakening confidence in the US president's ability to push through an aggressive stimulus programme that investors had been banking on since his election last November.
